

Pestilence

Jennifer Sze

Pestilence f/w

IS INSPIRED BY RAT SKULLS. THE ASPECT OF RAT SKULLS COMES INTO PLAY IN THE COLLECTION BY BECOMING THE DRIVING FORCE BEHIND IT ALL FOR THEIR ORGANIC, YET SHARP, RIGID FORMS, LINES AND SILHOUETTE. THIS COLLECTION CONSISTS OF CORSET TOPS, PANTS, SKIRTS, JACKETS, AND DRESSES WITH UNIQUE ELEMENTS. EACH OF THESE PIECES ARE VERSATILE AND CAN BE MERCHANDISED TOGETHER. THEY CAN ALL BE MIXED, MATCHED AND WORN ON THEIR OWN FOR A STATEMENT PIECE IN THE CUSTOMER'S WARDROBE. EACH AND EVERY PIECE HAS ITS OWN SPECIAL SET OF DETAILS. DETAILS LIKE METAL ZIPPER SEAMS, OPENINGS AND FASHIONABLE CUT-OUTS CAN ALL BE SEEN THROUGHOUT THE COLLECTION.

WE OFFER VERSATILE INDIVIDUAL PIECES. HOWEVER, WHEN THEY ARE PUT TOGETHER, THEY CAN CREATE A NICHE LOOK FOR THE DARK ROMANTIC CONSUMER.
